TTL 4.5 ACS TSBC TL Set 1

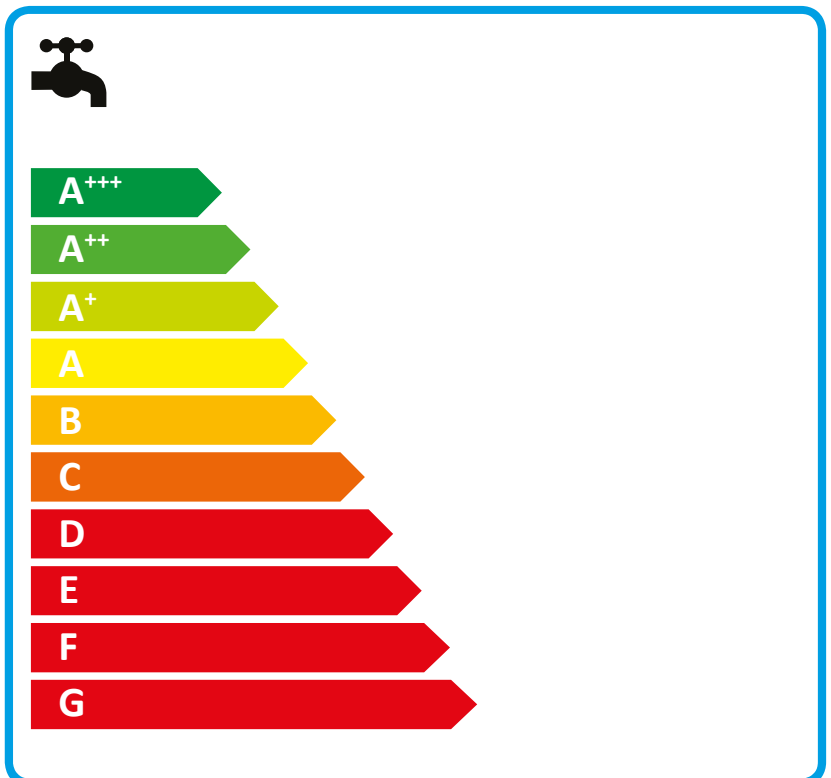

Energy label for heating system. It features a central icon of a boiler with three wavy lines. To its right is a black arrow pointing left with 'A+' written on it. Further right is a radiator icon. Below the boiler icon is a black arrow pointing left with a tap icon to its right.

Energy scale for heating system. It shows a vertical stack of colored bars representing energy classes from A+++ (green) to G (red). A black arrow with 'A+' points to the A+ class. A radiator icon is at the top left.

Feature icons for energy label. Each icon is preceded by a blue plus sign and followed by a square box. From top to bottom: a solar panel with a sun icon, a water tank with wavy lines, a hand pointing at a keypad, and a boiler with three wavy lines. The boxes are empty, except for the keypad one which contains a blue 'X'.

Energy scale for tap water. It shows a vertical stack of colored bars representing energy classes from A+++ (green) to G (red). A tap icon is at the top left.
